

## DAILY SCRUM MEETINGS 2

### FULL METTINGS

[13:36, 9/15/2021] Rumbi ❤️❤️❤️: Hey guys.

Who did the home page products and services. I need a bit of help there. How do I change the width of the tabs using the way you coded the tabs with, which is the CustomTab way. I tried researching but I'm failing to find a way.

[13:36, 9/15/2021] Rumbi ❤️❤️❤️: It ends up coming out this way

[13:50, 9/15/2021] Katlego Project: Try checking out the Mobile view and web view of things that's where the sizing is controlled

[13:52, 9/15/2021] Rumbi ❤️❤️❤️: Will do so

[14:56, 9/18/2021] Rumbi ❤️❤️❤️: Hey guys

How is the progress with the tasks

[12:51, 9/19/2021] Rumbi ❤️❤️❤️: ??

[12:56, 9/19/2021] +27 73 880 8874: we can retrieve from the database what left is testing

[12:56, 9/19/2021] +27 73 880 8874: whats\*

[21:40, 9/24/2021] +27 67 775 8423: Profile looks like that, tell me if there's something i should change

[21:42, 9/24/2021] +27 67 775 8423: I wanna use the remaining time to figure out how to test methods using http. I made some progress using mockito but got a weird error.

Also i will see if i can get the app running on firebase since the same origin thing was dealt with

[22:04, 9/24/2021] +27 67 775 8423: This is the error, please help if you can.

[11:01, 9/27/2021] Donovan: Hi guys. Tomorrow we have a presentation. I think we should meet today

[11:06, 9/27/2021] +27 62 411 2504: Hey 🙌 @everyone

Be on time tomorrow, I have an important meeting to attend at 15:30. So I'd appreciate if we start the meeting at 15:00

[11:13, 9/27/2021] Rumbi ❤️ ❤️ ❤️: Hey

No problem 🙌🙌

[11:13, 9/27/2021] +27 62 411 2504: 😊 thanks 😊

[13:16, 9/27/2021] +27 84 893 0176: As in dave is marking tomorrow?  
😞

[13:17, 9/27/2021] Donovan: Yes

[13:17, 9/27/2021] Katlego Project: Yes 😂👀

[13:17, 9/27/2021] +27 84 893 0176: What... Why did I think it was next week 🙄

[13:18, 9/27/2021] Donovan: 😏

[13:20, 9/27/2021] Rumbi ❤️ ❤️ ❤️: Wait it's the marking??

[13:21, 9/27/2021] Rumbi ❤️ ❤️ ❤️: We've only had the Sprint for 2 weeks though excluding the study break

[13:21, 9/27/2021] +27 84 893 0176: See I was surprised too 🤔

[13:22, 9/27/2021] Donovan: I think the study break was included

[13:22, 9/27/2021] Rumbi ❤️❤️❤️: I thought Tomorrow is supposed to be the meeting just to speak about the project with the tutor.

[13:24, 9/27/2021] +27 62 411 2504: 😂😂😂😂😂😂 let check the outline

[13:24, 9/27/2021] +27 84 893 0176: We I just checked

[13:24, 9/27/2021] +27 84 893 0176: Tomorrow is going down

[13:24, 9/27/2021] +27 84 893 0176: Damn study break

[13:24, 9/27/2021] +27 62 411 2504: I think long weekend is still playing with my mind 😞

[13:24, 9/27/2021] +27 62 411 2504: Really 😂😂

[13:25, 9/27/2021] +27 84 893 0176: Yah as in its the day 🤔 and we going down

[13:26, 9/27/2021] +27 62 411 2504: Ohh yeah you right. It's marking

[13:27, 9/27/2021] Donovan: Can't we make it on Wednesday? 😂😂

[13:28, 9/27/2021] Rumbi ❤️❤️❤️: So the study break was included 🤯

[13:29, 9/27/2021] +27 62 411 2504: You will have to run it by rylan first 😂😂😂😂 and cc me 😂😂😂

[13:31, 9/27/2021] +27 62 411 2504: Apparently 😂😂😂😂

I guess when the outline was constructed he didn't not take breaks into considerations. If someone were to email him I think he could have pushed the dates by a week

[13:34, 9/27/2021] Rumbi ❤️❤️❤️: I will email him and see what he says

[13:40, 9/27/2021] Rumbi ❤️❤️❤️: I sent him an email to ask if we can be marked on Wednesday instead because we were unaware that the study break was included.

Will tell you his response

[13:42, 9/27/2021] +27 62 411 2504: 🤔 cool

[15:59, 9/27/2021] Rumbi ❤️❤️❤️: Unfortunately he said we can't move the date. Deadline is tomorrow.

[15:59, 9/27/2021] Donovan: Whu hai 😬

[15:59, 9/27/2021] +27 62 411 2504: I'm sorry to hear that.

[16:00, 9/27/2021] +27 84 893 0176: Yah neh 🦅

[16:00, 9/27/2021] +27 73 880 8874: @Rumbi ❤️❤️❤️ are you winning with the tabBar?

[16:02, 9/27/2021] Rumbi ❤️❤️❤️: I'm not winning with the same problem. But I have managed to put in some things under the About US tab but the tabBar still looks the same

[16:03, 9/27/2021] Katlego Project: We have a new layout we can use icons to solve that problem

[16:04, 9/27/2021] +27 73 880 8874: we will push and then you just add tabs to it, but on the right

[16:05, 9/27/2021] Rumbi ❤️❤️❤️: Yea I think that's better

[16:05, 9/27/2021] Katlego Project: Awesome.

[16:21, 9/27/2021] Rumbi ❤️❤️❤️: @Naette please can you do the diagramming. I will sort out the Sprint documents.

[16:21, 9/27/2021] +27 84 893 0176: No problem

[09:23, 9/28/2021] Rumbi ❤️❤️❤️: I have added the navigation bars and pushed it.

[09:23, 9/28/2021] Donovan: I'm still working on the search bar

[09:24, 9/28/2021] Rumbi ❤️❤️❤️: Perfect👍

[11:42, 9/28/2021] +27 67 775 8423: I finally figured out how to do the http depend test.

Increased the % of the login from 65% to 76%. But overall we still have 46% because we have multiple files with 0% coverage.

I gonna try to do a context dependent test for the alertDialog now

[12:37, 9/28/2021] Rumbi ❤️❤️❤️: That's amazing. Which files have 0% coverage

[12:41, 9/28/2021] Rumbi ❤️❤️❤️: Oh I see

[12:45, 9/28/2021] Rumbi ❤️❤️❤️: I will also try get to it as soon as I'm done with the documentation to assist there

[12:49, 9/28/2021] +27 67 775 8423: Cool🔥
