SPRINT REVIEW MEETING 2

REVIEW OF GOALS

All tasks for user stories have been completed. The navigation bar is available and has tabs.

Code coverage still needs to be improved.

The diagramming is good and corresponds to user stories and task we might do in future sprints. It will be edited and improved as time goes by.

The Design UI is good, if we want to improve it in the future we will do so.

We used the lamp server.

DEFINITION OF DONE

- ☑ Navigation bar completed.
- ☑ Code has been written by pairs.
- ☑ Most tests have passed.
- ☑ Messy and poorly designed code has been cleaned up through refactoring.
