SPRINT REVIEW MEETING 4

REVIEW OF GOALS

All tasks for user stories have been completed. User is able send and receive messages on the website. User is also able to do reviews for items they bought.

We are still having troubles with testing each user story.

The diagramming is good and corresponds to user stories and task we might do in future sprints.

The Design UI of every part is well put.

We are using the lamp server for the website.

DEFINITION OF DONE

- ☑ Delete items from cart
- ☑ Cookies is completed
- ☑ Reviewing items that were bought
- ☑ Send messages to seller
- ☑ Receive messages from seller
- ☑ Code coverage 100%

Our Definition of Done has been partly met. The code coverage is still low.
